

Optician Needed

Vision Source of Colby is hiring an optician for our growing practice. Prior experience in a medical office or ABOC/CPO certification is a plus but we are willing to train the right person with great customer service skills and excellent attention to detail. We are looking for someone with an outgoing professional personality and has great people skills with patients of all ages and co-workers. Vision Source maintains the highest professional standards for our patients and we are seeking staff members who reflect these standards in their attitude, grammar, appearance and work ethic.

Responsibilities include assisting patients with lens and frame selection, glasses adjustments and repairs; optical lens production; handling patients' optical concerns; and maintaining inventory and merchandising. Typically, team members who rise to the top in this field are very detail oriented, customer service savvy, self-motivated, can work in both independent and team situations and receive great satisfaction in working with patients.

This position rotates between our Colby, Atwood and Oakley offices. Typical work hours are between 32-40 hrs per week. Benefits may include 401(K) retirement plan, term life insurance, and if full-time, includes holiday pay and paid personal time off. Eyecare and optical benefits for employee and spouse and/or dependent children are also included. More information about our offices and doctors can be found at www.eyeclinic.com

Please email your resume along with a letter of introduction and three (3) work-related references to service@eyeclinic.com (please put "VS Optician" in the subject line). All emails will be acknowledged by return email when received.
